April 2020: The
AA London site
was
launched...with a
fully fledged sub-
committee

Alcoholics Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism. The only requirement for membership is a desire to stop drinking. There are no dues or fees for A.A. membership; we are self-supporting through our own contributions. A.A. is not affiliated with any sect, denomination, politics, organization or institution, does not seek to engage in any controversy, neither endorses nor opposes any cause. Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.
